ABOUT THE COVER

The Florida Marlins' 2002 baseball season marks the Club's 10th year as a member of the National League and Major League Baseball. The cover represents the memorable events and accomplishments, both as a team and by individual players, dating back to the Club's inception in 1993. The cover includes the 1997 World Championship Trophy when the Marlins defeated the Cleveland Indians four games to three, capped by an 11-inning 3-2 victory at Pro Player Stadium on October 26. Also pictured are items from the Marlins' first regular season game, a 6-3 win over the Los Angeles Dodgers in April 5, 1993. The three bats represent Florida's three 30-home run players: Gary Sheffield (1996), Preston Wilson (2000) and Cliff Floyd (2001). The three tickets are from the Marlins's three no-hitters: Al Leiter (May 11, 1996 vs. Colorado), Kevin Brown (June 10, 1997 at San Francisco) and A.J. Burnett (May 12, 2001 at San Diego)

TORBORG AND JOHNSON CATCH HISTORY

Marlins Manager Jeff Torborg and catcher Charles Johnson share a little bit of baseball history as both have caught three career no-hitters, tying a Major League record. Since the expansion era (1961), only three catchers have accomplished the feat: Torborg, Johnson and former Indians, Blue Jays and Astros catcher Alan Ashby. Torborg caught Sandy Koufax, Bill Singer and Nolan Ryan while Johnson caught Al Leiter, Kevin Brown and A.J. Burnett. The next two pages contain the boxscores of each no-hitter. SEASON IN REVIEW

Outfielder Kevin Millar became the first player in Club history to receive two postseason awards as he was named the 2001 Marlins Most Improved Player and received the Charlie Hough "Good Guy" Award. Millar set career highs in virtually every offensive category, including batting average, hits, doubles, triples, home runs, RBI, runs scored, at-bats and games played.

2001 SEASON NOTES

NATIONAL RECOGNITION: The Marlins captured four National League Player of the Week awards during the 2001 season, including three straight from July 2-22. A.J. Burnett won the award for May 7-13, going 1-1 with a 0.60 ERA in two starts, including his no-hitter on May 12 at San Diego. Ryan Dempster earned the honor for July 2-8, posting a 2-0 record and a 0.00 ERA. Kevin Millar was recognized for the week of July 9-15, hitting .600 (9x15) with two home runs and five RBI. The fourth honoree, Cliff Floyd, shared the award with Greg Maddux after batting .462 (12x26) with six home runs, 10 runs, 12 RBI and 33 total bases from July 16-22. After going over two years without having a player named Player of the Week (June 1998-August 2000), the Marlins earned six awards in a period of six months.

PEREZ TAKES OVER: 2000 Hall of Fame Inductee Tony Perez was named the fourth Manager in Club history on May 28, 2001. The Marlins immediately responded to Perez's leadership, posting a 17-8 record in his first 25 games as Manager after compiling a 22-26 record prior to his appointment. After losing his first game, 8-5 on May 28 at Pittsburgh, the Marlins won 19 of his next 29 contests, including wins in eight of 10 games from June 15-23. The Marlins lost only one of the team's first nine series under Perez. Under Perez, the Marlins had only one losing month over the season's final 114 games, posting a 9-20 record in August. The team finished with a 27-38 record over their final 65 games. On October 5, Perez announced that he would return to his position of Special Assistant to the General Manager for the 2002 season. He owns the highest career winning percentage in Marlins history, .474 (54-60), and finished the season with a 74-84 career managerial record.

A REAL CLIFFHANGER: 2001 Marlins MVP Cliff Floyd established single-season Club records with 123 runs, 79 extra-base hits and tied Gary Sheffield's 1996 record with 19 intentional walks. He also finished second in Club history with 176 hits, 44 doubles and 321 total bases and tied for second with 31 home runs and 54 multi-hit games. His .317 batting average was the third-highest in team history behind Luis Castillo's .334 average in 2000 and Jeff Conine's .319 average in 1994.

A.J. THROWS A NO-NO: In just his 22nd Major League start, A.J. Burnett tossed the 203rd no-hitter of baseball's modern era (since 1900), the 98th in NL history and the third in Marlins history in a 3-0 win over San Diego on May 12. He joined Al Leiter (5/11/96 vs. COL) and Kevin Brown (6/10/97 at SF) as the only Marlins to accomplish the feat. He struck out seven and issued nine walks, equaling the Club record for walks in a game and becoming the first pitcher in the modern era to issue nine walks in a complete game nine-inning no-hitter. Burnett's no-hitter was just the second in the National League over the last four seasons and the fourth in the Major Leagues over that span. Overall, Marlins pitchers have thrown two of the last five and three of the last seven no-hitters in the National League.

POWER SURGE: The Marlins set several offensive Club records during the season. The team established new records in home runs (166), runs (742), doubles (325), RBI (713), total bases (2,344), extra-base hits (521) and slugging percentage (.423).

KING OF K'S: One season after setting the Marlins' single-season strikeout record, Ryan Dempster became Florida's all-time strikeout king. Dempster fanned Javy Lopez for his 385th career strikeout on April 18 at Atlanta, surpassing Pat Rapp's record. He later collected his 500th career strikeout on August 5 at St. Louis, striking out Edgar Renteria in the second inning. Dempster joined Kevin Brown, Alex Fernandez and Al Leiter as the only Marlins pitchers to win 15 games. He also became the Marlins' all-time leader in walks (340), home runs allowed (78) and sacrifices among pitchers (22), ranks second in losses (35), runs allowed (349), hits allowed (646), starts (103) and innings (639.1) and is just one win away from surpassing Rapp's Club record for all-time wins with 38.

A TALENTED TRIO: The trio of Ryan Dempster (15 wins) A.J. Burnett (11 wins) and Brad Penny (10 victories) became only the second group in Club history to each post 10 or more wins in the same season. The only other time that three Marlins pitchers recorded 10 or more victories in the same year was 1997 when Alex Fernandez won 17, Kevin Brown collected 16 and Al Leiter won 11.

DOUBLE TROUBLE: Florida pounded out a Club record and NL-leading 325 doubles, boasting seven players with at least 30 doubles: Cliff Floyd (44), Kevin Millar (39), Derrek Lee (37), Mike Lowell (37), Alex Gonzalez (36), Charles Johnson (32) and Preston Wilson (30). Prior to this season, only 10 Marlins players had accomplished the feat, with four players reaching the mark in 2000. The last team to have seven players hit 30 doubles were the 1993 World Champion Toronto Blue Jays.

2001 SEASON NOTES

SLICK FIELDERS: The Marlins established a new Club record with a .983 fielding percentage, committing a franchise-low 103 errors in 6,083 total chances. Florida also turned a Club record and NL-leading 174 double plays. Third baseman Mike Lowell set a Club record with a .976 fielding percentage at third base, while Preston Wilson's .993 percentage set a Club record for outfielders.

GRAND ENTRANCES: After having only one over the franchise's first eight seasons, the Marlins had two pinch-hit grand slams during the season (Charles Johnson and Ryan McGuire). Johnson delivered his in the seventh inning on May 13 off the Padres' Jay Witasick, turning a 4-1 deficit into a 5-4 lead and an eventual 10-4 victory. Ryan McGuire gave the Marlins a 5-3 lead with his grand slam off the Mets' Turk Wendell in the seventh inning on May 31.

IN THE BEGINNING: The Marlins scored a National League-leading and Club record 121 runs in the first inning this season. The 121 runs scored was the second-highest total in the Majors, behind only the NL West Champion Seattle Mariners' 124 first inning runs.

CLOSE CALLS: A season after posting a Club record and tying for the Major League lead with 32 one-run wins (32-20 record overall), the Marlins struggled in close games in 2001. Florida went 19-29 in one-run games in 2001. The 29 one-run losses tied for the most in the Majors with the Los Angeles Dodgers. The Marlins were 32-40 in games decided by two runs or less. They were also 5-11 in extra-inning games.

LATE INNING LEADS SLIP AWAY: The Marlins were victims of late inning rallies this season as Florida led the Majors in losses in their opponents' final at-bat. Opponents won 24 games in their final at-bat. The Marlins led the National League with 48 losses in games in which they held a lead, behind only the Texas Rangers, who had 52.

MILLAR MOST IMPROVED: 2001 Marlins Most Improved Player Kevin Millar established career highs in virtually every offensive category, hitting .314 with 20 home runs, 39 doubles and 85 RBI. Millar's 39 doubles surpassed his previous career total of 31 in 230 games. Millar hit his first two career grand slams: on June 23 vs. Philadelphia off Amaury Telemaco and on September 4 vs. Chicago off Jon Lieber, one of nine NL players to collect multiple grand slams in 2001. Last season, Millar batted .259 with 14 home runs, 14 doubles and 42 RBI in 123 games. Millar also played in a career-high 144 games and committed only two errors in 149 chances in the outfield for a .987 fielding percentage.

DAZZLING DEBUT: Pitcher Josh Beckett was named the 2001 Marlins Rookie of the Year after sweeping every 2001 Minor League Player of the Year Award. In four Major League starts, Beckett went 2-2 with a 1.50 ERA, striking out 24 batters in 24.0 innings. In his Major League debut on September 4 vs. Chicago, Beckett allowed only one hit, walking three and striking out five, over 6.0 innings in the Marlins' 8-1 win. He became the fourth Marlins starting pitcher to earn a win in his Major League debut and tossed 10.0 consecutive scoreless innings to begin his career. Beckett's successful debut came on the heels of a minor league season in which he went 14-1 with a 1.54 ERA in 26 games for AA Portland and Class A Brevard County.

TWO CAN PLAY AT THAT GAME: Florida placed two players on the National League All-Star team for the first time since 1997, as Cliff Floyd and Charles Johnson participated in the Midsummer Classic. Johnson hit .285 (73x256) with 16 home runs, 21 doubles and 56 RBI before the break, while Floyd batted .342 (107x313) with 21 home runs, 23 doubles and 70 RBI prior to the break. Floyd was added to the All-Star game roster on July 8 as a replacement for injured Mets' pitcher Rick Reed.

NOT A CANADIAN PENNY: Brad Penny dominated the Montreal Expos in 2001, establishing a new Club record with 13 strikeouts in a combined one-hitter on June 26. He tossed 28.0 consecutive scoreless innings against the Expos, going 4-0 with a 0.30 ERA. He allowed one run in 30.0 innings, a solo home run by Lee Stevens in the fifth inning of a 6-2 win on October 4. He also tossed his first complete game shutout against the Expos in a 5-0 win on April 21.

HOME SWEET HOME: The Marlins went 46-34 at home, the third-best home record in Club history. Florida went 52-29 in both 1996 and 1997. The team won seven straight home games from June 6-23, and went 17-4 over a span of 21 home games from June 6-July 24. The Marlins batted .269 (714x2651) at home with a 3.74 ERA, both marks ranked fifth in the National League.

2001 SEASON NOTES

COMING THROUGH IN THE CLUTCH: The Marlins ranked fourth in the Majors and second in the National League in batting with runners in scoring position, hitting .285 (384x1347) with 43 home runs. Only the Indians (.298), the Mariners (.294) and the Rockies (.292) hit better. Kevin Millar led the team with a .368 (39x106) average with RISP, followed by Mike Lowell (.341), Luis Castillo (.327), Cliff Floyd (.324) and Charles Johnson (.310). The Marlins also ranked sixth in the NL with a .274 (639x2333) average with runners on and second in the NL with a .377 (316x839) average when swinging at the first pitch.

BOBBLEHEAD MADNESS: On July 21, Cliff Floyd joined an exclusive club: players who hit home runs on their Bobblehead Days in 2001. Floyd joined Cleveland's Jim Thome, Chicago's Sammy Sosa, Oakland's Jason Giambi and Atlanta's Chipper Jones and Anduw Jones. Floyd was the only player to hit two home runs on his Bobblehead Day, hitting a two-run shot in the fourth inning and a 420-foot solo home run in the eighth.

EXCLUSIVE CLUB: Despite playing in only 123 games, Preston Wilson became the first Marlins player to hit 20 home runs and steal 20 bases in consecutive seasons. Following up his first 30-30 campaign in 2000, Wilson hit 23 home runs and stole 20 bases in 38 fewer games. Cliff Floyd is the only other Marlins player in the 20-20 Club, accomplishing the feat in 1998 and 2000.

GAME-ENDING GONERS: Outfielders Kevin Millar and Preston Wilson each hit their first game-ending home runs in 2001, becoming the 13th and 14th Marlins players to end games with home runs. Wilson hit the first three-run game-ending home run in Club history off Tom Gordon to give the Marlins a 7-6 win over the Cubs on September 5. Millar's solo home run in the 10th inning on September 28 off Cliff Politte gave the Marlins a 6-5 win over the Phillies.

INTERLEAGUE EXCELLENCE: Florida continued their domination of American League teams in 2001, posting a 12-6 Interleague record. The Marlins still boast the top Interleague record in baseball, 51-33. The team swept two AL opponents, Tampa Bay (June 15-17) and Baltimore (July 15-17) and tied with the White Sox, Oakland and Seattle for the best 2001 Interleague record. Cliff Floyd and Kevin Millar led the Majors with 28 Interleague hits apiece while Mike Lowell was second in the Majors with 21 Interleague RBI. Millar's .412 (28x68) Interleague batting average ranked third in baseball and Floyd's .394 mark (28x71) was seventh. A.J. Burnett posted a 4-0 record against the AL, tied with Detroit's Jeff Weaver and Oakland's Mark Mulder for the most Interleague wins in 2001.

START SPREADING THE NEWS: The Marlins greeted the three-time defending World Champion New York Yankees after the All-Star break with two blowout wins, defeating the Yankees 9-3 on July 12 and 11-1 on July 13. The Marlins nearly pulled off their first sweep over New York, falling 5-4 in 10 innings on July 14.

MONTREAL MOMENT: The Marlins equaled a Club record for the biggest comeback in a win, rebounding from a 6-0 fifth inning deficit in a 10-6 win over Montreal on September 17. It marked the fifth time the Marlins came back from a six-run deficit to earn a win. Florida also equaled the Club record for hits and runs in an inning, plating eight runs on nine hits in the sixth inning.

INSIDE JOBS: Cliff Floyd and Mike Redmond hit their first career inside-the-park home runs, with both coming on line drives to centerfield. Floyd hit his off the Pirates' Josias Manzanillo on June 5, while Redmond connected for his on August 12 off Houston's Dave Mlicki. Redmond's home run was the ninth inside-the-park home run in Club history and the first by a Marlins catcher. He became just the sixth catcher over the last seven seasons to hit an inside-the-park home run.

PHILLY FAILURES: The Marlins were haunted by the second place Philadelphia Phillies all season, posting a 5-14 record against the Phillies. The Marlins went 1-9 at Veterans Stadium, including being swept in a five-game series from June 28-July 1. The Marlins went 2-9 in one-run games against the Phillies, including 1-6 in one-run games in Philadelphia.

ROAD WOES: Coming off a season in which the Marlins posted 36 road wins, the Marlins finished 30-52 on the road in 2001. The Marlins equaled a Club record by losing nine games during one road trip, going 2-9 during a trip to Philadelphia, Montreal and Tampa Bay from June 28-July 8. The Marlins hit .258 (747x2891) on the road, ranking eighth in the NL, and were 14th in the League with a 4.93 road ERA.

2001 SEASON NOTES

RARE FEAT: Marlins outfielder Cliff Floyd pulled off the first unassisted double play by an outfielder in five years in the 10th inning of the Marlins' 4-3 win at Chicago. Floyd doubled the Cubs' Ricky Gutierrez off second base on a fly ball by Delino DeShields. Before Floyd, the last outfielder to pull off an unassisted double play was Pittsburgh right fielder Orlando Merced on July 1, 1996, also against the Cubs.

OFFENSIVE-LEE: First baseman Derrek Lee became the fifth Marlin in Club history to hit 20 home runs in consecutive seasons as he followed up a career-high 28 homers in 2000 with a 21 home run campaign this season. Lee also collected career highs with 75 RBI and 158 hits. Lee led the Club with 158 games played, matching the season high that he reached last year. After beginning the season hitting .167 in April, he hit .270 in May, .300 in June, .270 in July, .330 in August, .329 in September and .333 in October. In 73 games after the All-Star Break, Lee hit .317, with 86 hits in 271 at-bats.

A HIGH WATER MARK FOR LOWELL: Mike Lowell's three-RBI game in the season finale on October 7 at Atlanta gave him a career-high 100 RBI on the season, the sixth-highest single season total in Club history. Lowell set a Club record for RBI by an infielder, surpassing the 96 RBI by Bobby Bonilla in 1997. Lowell and Floyd became the first set of 100-RBI teammates in Club history.

MOUND ACCOMPLISHMENTS: For the third straight season, the pitching staff lowered its ERA. The 2001 Marlins recorded a 4.32 ERA, improved from 4.59 in 2000 and from 4.90 in 1999. The bullpen lowered its ERA for the second straight season, improving from 5.08 in 1999 to 4.56 in 2000 to 4.12 this season.

A FINE FOURSOME: The Marlins had four 20-plus home run hitters (Floyd 31, Wilson 23, Lee 21 and Millar 20), matching a single-season Club record. In 2000, Preston Wilson led the Club with 31 homers, followed by Derrek Lee's 28 and Cliff Floyd and Mike Lowell's 22 each. Florida had one 20-plus HR hitter in 1993, 1994, 1998 and 1999 and two each in 1995, 1996 and 1997.

WORTHY OPPONENT: For the second straight year, the Marlins finished with a .500 or better record against the NL East Champion Atlanta Braves. The Marlins went 10-9 against the Braves in 2001 and 6-6 in 2000. Including the 1997 NLCS, the Marlins are 44-43 against Atlanta dating back to the start of the 1996 season, the best record of any National League team against the Braves over that span.

TOUGH NIGHT AT THE TED: On October 5, the Marlins dropped a 20-3 contest to the Atlanta Braves. It marked the Club's second largest losing margin in franchise history, behind only the 18-run defeat (18-0) suffered in Atlanta on October 3, 1999. It was only the second time in franchise history (1,391 regular season games) that the Marlins allowed 20 or more runs in a game, along with a 22-8 defeat on August 31, 1996 at Cincinnati. The Braves scored 10 runs in the bottom of the first, the 45th time in modern baseball history (back to 1900) in which a team scored 10 runs or more in a game's opening inning.

AND RECORDS SET: The Marlins set a trio of records involving walks that night. The six walks by starter Ryan Dempster were the most walks allowed by an individual pitcher in a single inning, surpassing the previous mark of five, set by Dempster on July 1, 1999 vs. New York (NL) and by Ryan Bowen on August 4, 1993 at St. Louis. The seven walks in the first inning also set a team record, surpassing the previous record of six, accomplished three times, most recently in the ninth inning on August 11, 1998 at LA. The 12 bases on balls in the game set a new Marlins record for most walks in a nine inning game, surpassing the previous mark of 11, done eight times, most recently on July 1, 1999 against the New York Mets.

RECORDS AND HISTORY

On Saturday night, May 12, 2001 at San Diego's Qualcomm Stadium, A.J. Burnett pitched the third no-hitter in Club history as the Marlins defeated the Padres, 3-0. Burnett joined Al Leiter (May 11, 1996 vs. Colorado) and Kevin Brown (June 10, 1997 at San Francisco) as the three Marlins to toss no-hitters. Catcher Charles Johnson, who was behind the plate on that night, has caught all three no-hitters in team history. The three no-hitters caught ties a Major League record.

A BRIEF HISTORY OF SOUTH FLORIDA BASEBALL

From the earliest days of the city of Miami, baseball has been a South Florida staple. Whether as the home to numerous minor league franchises, the training site for various Major League clubs or the home of some of the finest college and high school programs in the nation, baseball and South Florida need no introduction.

Records show that Abner Doubleday, who legend credits as having invented the game of baseball, was stationed at a military base in South Florida late in his career. Although club teams were taking to makeshift diamonds in the area before the turn of the century, the first official minor league entry appeared in 1912 when the Miami Magicians entered the Class D East Florida State League and competed until the United States entered World War I. After the war, several variations of minor league clubs appeared, one which was the Miami Tourists.

On the eve of World War II, teams in the Florida East Coast League included the Miami Wahoos, the Miami Beach Flamingos, the Fort Lauderdale Tarpons and the West Palm Beach Indians. The league suspended operations in 1943 until the end of the war.

After the war, the need for a larger stadium became apparent. Jose Manuel Aleman, a former minister of education in Cuba, undertook the project. Construction began in late 1948 and Miami Stadium was opened on August 31, 1949. At the time, the 9,000-seat stadium was hailed as one of the finest and most beautiful in baseball.

By 1952, the Florida International League had risen to Class B status and included the Miami Sun Sox (managed by Pepper Martin), Miami Beach Flamingos, Fort Lauderdale Lions (who wore shorts during the 1953 season) and the West Palm Beach Indians.

The Marlins nickname made its first appearance in 1956 when the Triple A franchise from Syracuse, New York moved south and into Miami Stadium. The legendary promoter Bill Veeck was brought in to run the team and one of his first acts was to sign 50-ish hurler Satchel Paige. Paige's Marlins debut was one to remember, as Veeck arranged for a helicopter to deliver him to the mound on Opening Night.

Paige played three seasons with the Marlins, and was the starting pitcher on August 7, 1956 when baseball moved to the Orange Bowl for the first time. Thanks to pre-game festivities that included Cab Calloway and Merv Griffin, a crowd of 57,713 filled the stadium for a 6-2 victory by Paige and the Marlins over the Columbus Jets. The game raised over $30,000 for charity, but did little to build a long-term base of fans. Plagued by poor attendance and other financial problems, the AAA franchise moved to San Juan, Puerto Rico after the 1960 season.

After the Marlins departure, South Florida's professional baseball connection has been either through hosting various Major League spring training sites or through Class A Florida State League entries, including several different nicknames (Marlins, Orioles and Miracle).

In 1979, Triple A baseball made a brief return to South Florida with the Miami Amigos of the Inter-American League. The league lasted only until mid-July before financial problems brought it down. From that moment until April 5, 1993, the only professional baseball above the Class A level in South Florida was played during the spring.

Major League clubs since the days of Babe Ruth have sought refuge in the warm Florida climate while preparing for the upcoming season. At one time or another, South Florida has been the spring home of the Giants, Reds, Browns, Athletics, Yankees, Braves and Pirates and is currently the site for the Cardinals, Mets, Expos and Orioles.

But while the professional game was mostly a spring-time guest, the amateur programs became nationally prominent. At the University of Miami, Hurricanes manager Ron Fraser built over 30 years of, what many consider, the model collegiate program. Not only did the team prosper on the field, becoming a regular participant in the College World Series and winning two national championships, but Fraser proved that a collegiate program could also be successful at the gate. Armed with a never-ending series of promotions, Miami has packed in the fans at home and has become the envy of many minor league teams in the process.

At the same time, various high school and junior college programs in the state have churned out a never-ending stream of blue chip prospects and Major Leaguers, the results of a year-round affinity for playing the game.

South Florida's interest in baseball was further solidified by the influx of Cubans since the late 1950's. In the mid-1950's, Havana was host to a legendary Triple A entry, the Sugar Kings. Starting with Minnie Minoso, a host of Cuban players such as Cookie Rojas, Bert Campaneris, Luis Tiant and Tony Perez made their way to the major leagues and opened baseball's collective eyes to the vast wealth of talent available in the Carribean.

That tradition continues today with the play of such Cuban-American products as Rafael Palmeiro, Alex Rodriguez and Jose Canseco, who made his professional debut with the Class A Miami Marlins in 1982. Other Major Leaguers who wore a minor league Marlins uniform include Dennis Martinez, Eddie Murray and former Marlins catcher Benito Santiago. With the 1997 arrival of Alex Fernandez to the Marlins, the vastness of this area's baseball is seen with a person who played high school, collegiate and now Major League Baseball in South Florida. The same can now be said of Marlins catcher Charles Johnson and infielder Mike Lowell, hometown products playing for the local Major League team.

Since the Florida Marlins came to the area in 1993, Major League Baseball no longer heads north for the summer. Now, the baseball fans of South Florida can experience first-hand what they have long coveted, a big league team of their own.

1997 NATIONAL LEAGUE CHAMPIONSHIP SERIES

Florida won the pennant against an Atlanta squad that had claimed four of the last five National League titles. Livan Hernandez's LCS record 15 strikeouts in Game 5 in front of a home crowd of 51,982 earned him the Series MVP, while Kevin Brown, who battled a stomach ailment throughout the series, pitched a complete game in Game 6 at Turner Field to lead Florida into the World Series.

1997 WORLD SERIES

The Marlins became the first Wild Card team to win a World Series, as they came from behind to claim eight of their 11 postseason victories including Edgar Renteria's 11th inning, two-out single in Game 7, his second game-ender of the postseason and Florida's 29th win of the season in their final at-bat. It marked just the third Game 7 in Series history to go extra innings. Charles Johnson led the Marlins with 10 hits including a pair of three-hit games, while Livan Hernandez became the second rookie to win the Series MVP award and the first rookie pitcher in 50 years to win two World Series starts. In Game 3, Florida became just the second team in Series history to score seven runs in the ninth inning. The Game 4 loss marked the coldest World Series game ever played, with a wind chill of 15 degrees. The Pro Player Stadium crowd of 67,498 in Game 6 was the largest to see a World Series game since 1954. The 403,617 fans that attended the Series marked the second-highest total ever, while Florida became the first team ever to draw over 500,000 in a single postseason.

INAUGURAL SEASON OPENING DAY

APRIL 5, 1993

Florida Marlins 6, Los Angeles Dodgers 3

Joe Robbie Stadium - The Marlins defeated Los Angeles 6-3 in their inaugural game before a sellout crowd of 42,334 spectators. Charlie Hough scattered six hits over six innings to pick up the Club's historic first win. Walt Weiss gave the Marlins a 2-0 lead in the second inning with a two-run triple. Jeff Conine went 4x4 and stole the first base in Marlins history. Bret Barberie collected Florida's first hit, a first inning single to center. Bryan Harvey pitched a scoreless ninth to record the save. In pre-game ceremonies, Hall of Famer Joe DiMaggio threw out the first pitch and the Marlins retired uniform #5 in honor of their late president Carl Barger.

INTERLEAGUE NOTABLES

- Florida's Interleague record (51-33) leads the Major Leagues. The Marlins posted a winning record for the third time in five seasons of Interleague Play. The 2001 Club posted a 12-6 mark, including series sweeps over Baltimore and Tampa Bay . MEDIA INFORMATION

CREDENTIAL APPLICATIONS: All news media will be asked to submit a written request for Florida Marlins media credentials on their official letterhead.

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations who plan to cover the Marlins on a daily basis. Credentials will be issued only to members of the working press 18 years of age and older. **No spouses, guests or children** of members of the press will be issued credentials. Press passes are **not transferable.** Credentialed members of the media are prohibited from obtaining autographs, personal photographs or equipment on the playing field, in the dugout or clubhouse. Any violation of these guidelines will result in immediate revocation of credential and future access. Only credentials issued by the Florida Marlins, Major League Baseball or the BBWAA will be honored. Credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgathering organizations who do not qualify for season credentials. Any organization who anticipates the need for daily credentials must have a letter on file with the Florida Marlins Media Relations Department. Requests may be sent via FAX or mail, but those requests must be received at least 48 hours in advance of the game(s) requested. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate newsgathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. Priority in all areas will be granted to news organizations on nightly deadlines. No freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of the conditions under which the credential is issued and result in no further credentials being issued.

CLUBHOUSE ACCESS: Access to the Florida Marlins clubhouse both before and after games will be limited to those organizations who are filing stories on a daily deadline. Clubhouse access will be granted to all media when special situations arise, as determined by the Marlins Media Relations Department. The clubhouse is open to all media with proper credentials 3 1/2 hours before game time and then closes 45 minutes prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders and during rain delays will be determined by the Marlins Field Manager. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual has credentials expressly for in-game field privileges (photo passes, pre-game ceremonies, etc.). Live shots are permitted on the field until 35 minutes prior to the first pitch.

HOW TO FIGURE...

BATTING AVERAGE: Divide the number of hits by the number of at bats.

EARNED RUN AVERAGE: Multiply the number of earned runs by nine and then divide that number by the number of innings pitched.

FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

ON-BASE PERCENTAGE: Add the total of hits, walks, hit by pitches and divide by the total of at bats, walks, hit by pitches and sacrifice flies.

SLUGGING AVERAGE: Divide the total bases of all safe hits by the total times at bat (at-bats do not include walks, sacrifices, hit-by-pitch, or times awarded first base because of interference or obstruction).

WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

QUALIFICATIONS FOR BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, the equivalent of 3.1 appearances for each of the 162 scheduled games, which may include walks, sacrifices, hit by pitch, etc.

QUALIFICATIONS FOR PITCHING (ERA) CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: The fielders with the highest fielding average at each position, provided:

(1) A catcher participates as a catcher in at least one-half the number of games scheduled for each club in his league that season.

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season.

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. EXCEPTION: if another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season. Those are selected by a vote of managers and coaches.

QUALIFICATIONS FOR A ROOKIE: A player with no more than 130 at-bats or 50 innings pitched in the Major Leagues during the previous season or seasons, nor more than 45 days on a Major League roster during the 25-man player limit (excluding time in military service).

PINCH HITTING: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat, which must be before he becomes a fielder. If the team bats around in the inning and a pinch hitter comes up a second time, he will not be considered a pinch hitter the second time.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

ITEMS OF INTEREST

BLOWN SAVE DEFINITION: When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity. This method has been a part of the Rolaids formula since 1988.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

CONSECUTIVE-GAME PLAYING STREAKS: A consecutive-game playing shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out.

DISABLED LISTS:
15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.
60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1 shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:
Six years of Major League Service continues to be required to be eligible for free agency.
The Re-Entry Draft has been abolished.
A player has 15 days from the first day following the World Series to file for free agency.
By December 7, former club must offer to arbitrate or becomes eligible to sign player. By December 19, player must accept offer or on January 9 former club becomes ineligible to sign the player. (Ineligible club retains eligibility the following May 1.)
If club and player proceed to arbitration, maximum salary cut rules do not apply.
Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

NIGHT GAME: A night game shall be any game with the official starting times fixed after 5:00 p.m. All games, with official starting times fixed for 5:00 p.m., prevailing time, or earlier, shall be "day games."

PLAYER LIMITS: A Major League roster consists of 40 players until Opening Day, when the number must be reduced to 25 until September 1, when it again becomes 40.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a ter date.

SUSPENDED GAME RULE:
Rule 4.12 SUSPENDED GAMES
(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
(1) A curfew imposed by law;
(2) A time limit permissible under league rules;
(3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
(4) Darkness because of any law, the lights may not be turned on;
(5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
(i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.
(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any

time after it starts.
(c) By amending NOTE to read as follows:
NOTE: Weather and similar conditions--4.12(a) (1 through 5)--shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tied game and must be replayed in its entirety.
(d) A suspended game shall be resumed and completed as follows:

(1) Immediately preceding the next scheduled single game between the two clubs on the same grounds; or
(2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
(i) Immediately preceding the next scheduled single game, or
(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SALARY ARBITRATION: Beginning in 1987, three years Major League Service required for eligibility.
Beginning 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.
Three-man panels will be scheduled to hear cases instead of single arbitrators in 50percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 and 2001.
Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.
Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a)he has accumulated at least 86 days of service during the immediately preceding season or b)he ranks in the top 17 percent in total service in the class of players who at have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceding season.

SAVE RULE: Credit a pitcher with a save when he meets all three of the following conditions:
1) He is the finishing pitcher in a game won by his club;
2) He is not the winning pitcher; and
3) He qualified under one of the following conditions: he enters the game with a lead of no more than three runs and pitches for at least one inning; or he enters that game, regardless of the count, with the potential tying run either on base, at bat or no deck (that is, the potential tying run is either already on base or is either already on base or is one of the first two batsmen he faces; or he pitches effectively for at least three innings.

TRADING REGULATIONS: The trading deadline is July 31.Trades may be made with any other major league club in the period from the end of the championship season through July 31 (midnight) without waivers. Waivers are required, however:
1) If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2) If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3) If assigned to a minor league club without right of recall, after acquiring three years of service: At any time during the year.
4) If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

2002 HALL OF FAME WEEKEND

Induction Ceremony: Sunday, July 28	1:30 PM, Clark Sports Center
Hall of Fame Game: Monday, July 29	2:00 PM, Doubleday Field

HALL OF FAME ROAD TRIP

The Hall of Fame begins its first-ever national tour, when Baseball As America opens at the American Museum of Natural History (NY) on March 16. The exhibit will run through August 18 and then travel to the Natural History Museum of Los Angeles County from September 21, 2002 through January 5, 2003.

An estimated four to five million people will see the exhibit, which will travel to eight more nationally renowned museums over the next three years, including: Field Museum of Natural History in Chicago, the Cincinnati Museum Center; Florida International Museum in St. Petersburg, FL; National Museum of Natural History, Smithsonian Institution in Washington, DC; and the Missouri Historical Society in St. Louis. Three more cities will be named later this year. Visit the tour Web site, baseballasamerica.org, for complete details.

Just like the Hall of Fame experience in Cooperstown, Baseball As America is a national celebration of America's romance with baseball. It represents the richness of baseball as the American pastime and celebrates enduring American values - freedom, patriotism, opportunity and ingenuity. The exhibition provides a revealing, inspiring, humorous and dramatic perspective on America's Game and so doing, fosters a new appreciation for baseball, but of our national character.

MARLINS IN THE COMMUNITY

COMMUNITY AFFAIRS PHILOSOPHY

The Florida Marlins Baseball Club is an active partner in the South Florida community. By supporting community and charitable causes, we are exercising our commitment of being a responsible and civic-minded business.

Through Cornerstones for Kids, the Marlins continuously reach beyond the walls of the stadium to meet face-to-face with fans of all ages. Baseball is a family game and we are committed to ensuring that the Marlins impact every member of our diverse community in a positive manner.

The catalyst may be a player signing an autograph for a youngster reaching over the dugout, a hug from Billy the Marlin, a youth group receiving tickets for a game, or one of our players teaching baseball at a Marlins Youth Baseball Clinic. We are committed to building a brighter future for South Florida.

FLORIDA MARLINS ALL HEART AWARD

The Florida Marlins presented the 2001 All Heart Award to centerfielder Preston Wilson. The All Heart Award is presented to the Marlins player who best exemplifies the team's commitment to the South Florida community and for his commitment to bettering the community by making a positive impact and serving as a role model for others.

Prior to the 2001 season, Wilson created Preston's Pals, a charity fund within the Florida Marlins Community Foundation that raises funds for local youth organizations through sponsorship opportunities. During the inaugural year, Preston's Pals raised over $ 30,000 for Adopt-A-Classroom, Healthy Families Florida, and The Miami Herald's Newspapers In Education. Preston also hosted groups of underprivileged kids to Saturday night games. To ensure every child enjoyed the visit to the stadium, he provided a bus for transportation, tickets, dinner, and t-shirts.

However, Preston's commitment to the community reaches beyond Preston's Pals. He serves as a spokesperson for the South Florida Blood Banks Sickle Cell program, the Joe DiMaggio Children's Hospital's "Wear Your Helmet" safety awareness program, and CaPCURE's "Keep Dad in the Game" Home Run Challenge. Preston actively participates with the Florida Marlins Cornerstones for Kids programs, including Adopt-a-Classroom, Marlins Youth Baseball Clinics and Breaking Barriers. Breaking Barriers is a character education program developed by Sharon Robinson, daughter of Jackie Robinson.

Preston and his father, former New York Met Mookie Wilson, created a scholarship at his alma mater, Bamberg Erhardt High School (SC). The scholarship is designed to assist students that have been accepted to college but are experiencing financial limitations.

CORNERSTONES FOR KIDS

Building a brighter future through education and baseball

The foundation of every child's future is a strong mind and a strong body. Cornerstones for Kids provides the tools for our children to develop both their minds and their bodies in a positive way.

EDUCATION

World of Baseball

World of Baseball is a curriculum enhancement program developed by local educators. Currently implemented in Dade, Broward and Palm Beach counties, the program uses baseball to make learning a fun, exciting and fulfilling experience. The unique design of the program provides an opportunity for teaching a full range of subjects, from math to geography, to students at all levels from kindergarten through high school. As part of World of Baseball, the Marlins designate one week in May as World of Baseball Week. Marlins players, coaches and broadcasters will visit approximately 40 schools during the week of May 8. In addition, each school receives 500 tickets to one upcoming Marlins home game.

Adopt-A-Classroom

Adopt-A-Classroom is a not-for-profit organization that matches businesses and individuals with inner-city schools. Each $500 donation provides the teacher of the adopted classroom the opportunity to purchase items that make learning fun and exciting for students. As many items are used year after year, the cumulative effect of donations grows with each new group of students. The Marlins have adopted 56 classrooms in 11 elementary schools in Broward, Miami-Dade and Palm Beach counties.

BASEBALL

Youth Clinics

There is nothing our players and coaches enjoy more than to pass along their baseball knowledge to kids. In order to give children the opportunity to learn baseball from professionals, the Marlins conduct clinics Saturday mornings when the team is home. Marlins Infield Coach Tony Taylor leads the clinics and is assisted by Marlins players and coaches. Additionally, the Marlins have teamed with the National Alliance for Youth Sports to provide coaches clinics for local youth coaches.

Youth Tournaments

Last year, the Marlins hosted the second annual Florida Marlins-Josh Beckett Youth Baseball Tournament. The week-long tournament for 10 and under and 12 and under youth baseball teams was held at the Kendall Boys & Girls Club. The Broward Canes earned the 10 and under crown and the Junior All-Stars earned the 12 and under championship.

MARLINS IN THE COMMUNITY

MAJOR LEAGUE BASEBALL PROGRAMS

Reviving Baseball in Inner Cities

Reviving Baseball in Inner Cities (RBI) is a youth program offering children ages 13-18, who live in disadvantaged areas, the opportunity to participate in organized baseball and softball. This program is designed to promote interest in baseball, academic achievement and social responsibility. The Florida Marlins and Gatorade supply uniforms, umpires and equipment for more than 400 children. Two Marlins all-star teams have won the RBI World Series. In 1997, the Boys Junior team brought home the first place trophy, and in 1999, the Girls Softball team captured the crown.

Diamond Skills

Diamond Skills is a skills competition that focuses on three fundamental baseball skills: batting, fielding/throwing and base running. The competition helps children ages 7-14 focus on becoming better all-around players. The Marlins host the South Florida championship, which helps determine who will compete in the national finals at the All-Star Game. In 1999, Nick Hernandez, from Hialeah, was crowned the national champion in the 9-10 year-old division based on his performance in Boston.

COMMUNITY OUTREACH

Ballpark Buddies/Corporate Partners for Youth

Marlins players and sponsors partner to provide tickets to every home game to local community groups. Last season, over 35,000 children attended Marlins games through this program.

Player Appearances

Marlins players make various community visits throughout the year. Visits to schools, hospitals, youth centers and local businesses give the players the opportunity to interact with our fans outside the stadium.

Speakers Bureau

Since the inaugural season, Marlins front office personnel have spoken at various schools, businesses and civic organizations throughout South Florida. The Bureau's mission is to provide information about baseball in general, and the Marlins, in particular, to our fans. Meeting with local groups also allows the front office to receive feedback directly from the community.

Fan Mail

Local volunteers sort through the hundreds of letters the Marlins receive each week. Letters addressed to an individual player are delivered directly to the player. Volunteers send a Marlins Fan Pack to fans with generic requests.

FLORIDA MARLINS COMMUNITY FOUNDATION

The Florida Marlins Community Foundation is committed to the betterment of South Florida's youth through the Cornerstones for Kids Program whose goal is building a brighter future through education and baseball. Resources for contributions come from a variety of sources including player donations, corporate sponsorships, grants and various events.

Several Florida Marlins players support ticket programs, which enable at-risk youth groups to attend Major League games at Pro Player Stadium. In addition, some players have pledged to support various charitable programs through their performance on the field. Home runs, stolen bases, and RBI statistics turn into dollars for worthwhile causes. Josh Beckett's $100,000 donation in 1999 established the initial funding for Cornerstones for Kids.

Thanks to the generosity of corporate sponsors who have partnered with the Florida Marlins Community Foundation, positive contributions are being made to the South Florida Community. Anheuser Busch is helping fund college scholarships through Homerunazo. Gatorade gives disadvantaged youth an opportunity to play baseball through RBI, Reviving Baseball in Inner Cities. Bank of America is title sponsor for Dinner on the Diamond, which supports the Daily Bread Food Bank. Prudential sponsors Bullpen Buddies, a ticket program for youth groups. Pizza Hut gives the Florida Marlins Community Foundation an annual donation of unrestricted dollars, which allows for flexibility in giving which helps when there is an emergency in the community.

Thanks to Teammates for Kids and the Florida Sports Awards, the Florida Marlins Community Foundation has been the recipient of grants in support of the Cornerstones for Kids programs.

The Florida Marlins Community Foundation is best known for sponsoring and supporting various events throughout the year. Examples include a Hot Stove Banquet where the Baseball Writers of America present their annual awards prior to FanFest, Dinner on the Diamond, Dollars and Strikes to benefit the Boys and Girls Clubs, the Florida Marlins Invitational Golf Tournament, and the Jerseys Off Their Backs Raffle, which supports Muscular Dystrophy Association.

The are many organizations which benefit from the Florida Marlins Community Foundation. Special partners include the Daily Bread Food Bank, Boys and Girls Clubs of America, Adopt-A-Classroom, Make-A-Wish Foundation of South Florida, Muscular Dystrophy Association and the Florida Marlins Josh Beckett Youth Baseball Tournament.

During 2001, the Florida Marlins Community Foundation donated more than a half-million dollars to various programs and charities.

2002 SPRING TRAINING

SPACE COAST STADIUM
SPRING TRAINING HOME OF THE FLORIDA MARLINS

The Florida Marlins begin their ninth season at Space Coast Stadium and 10th Spring Training camp overall. The Marlins conducted their inaugural Spring Training in 1993 at Cocoa Expo. Space Coast Stadium is the 7,200 seat centerpiece of the Marlins Brevard County operation. In the spring, it houses offices for the Marlins Major League staff, clubhouses for both the Marlins and visiting teams, in addition to media work and dining areas. After the Major League club breaks camp at the end of March, the stadium becomes home to the Brevard County Manatees (A) of the Florida State League, Gulf Coast Rookie League Marlins, Instructional League and the Marlins fantasy camp. In addition to the 7,200 permanent seats, Space Coast Stadium also features 11 luxury suites located on the press level and a grass-covered berm beyond the left field fence that will serve as additional general admission seating.

Pitchers and catchers first workout is slated for February 17 at the Carl Barger Baseball Complex at Viera. The Marlins first full squad workout is scheduled for February 21. The Marlins will utilize the complex for the first 10 days of camp before moving to the stadium just prior to the start of the Grapefruit League season.

The Carl Barger Baseball Complex was designed by the firm of Lescher and Mahoney, while Space Coast Stadium was designed by the firm of L.D. Astorino & Associates, Ltd. Both projects were constructed by Miorelli Engineering.

Offices for the Marlins Media Relations Department and the Media Workroom are located at the stadium. The workroom is directly behind the seating area of the Press Box, located on the third level of the stadium. The Press Dining area, which will be open prior to the start of each exhibition game, is located on the first base side of the stadium on the concourse level. Admission to the dining area is either a Major League Spring Training credential, a BBWAA card or a Marlins spring training daily credential.
